

TRAILHEAD MAPPING SESSION

STRATEGIC CLARITY AND TEAM ALIGNMENT TO SET THE PATH BEFORE THE CLIMB

Trailhead Mapping is a high-impact clarity session for executive and division leadership teams. Built on the Working Genius model, it surfaces energy misalignment, trust friction, and role drag before they slow your growth or your bottom line.

BENEFITS

- Increased team trust and alignment
- Role clarity and better delegation
- Surfaced friction points before scaling
- Clear path forward and decision flow

WHO IT'S FOR

- Executive or cross-functional teams (3-10)
- Orgs navigating growth, restructuring, or fatigue
- Teams needing trust, role, or momentum clarity
- Leaders looking to realign before a new phase

WHAT YOU'LL GET

**Working Genius assessment
for all team members**

**Summary document with 3-5
key insights and action items**

**Customized Working Genius
map and alignment analysis**

**Strategic Facilitation
(virtual or in-person)**

Schedule a call or request more details:

Custom-scoped based on team size, format, and depth. Most engagements start at \$5,000.
